Plane Crash Near Van Aire Estates

Adams County, Colo. (September 2, 2020):

At 12:16 PM the Adams County Sheriff's Office received calls of a plane crash in the area of 160th Avenue and Gun Club Road.

When deputies arrived, they found a single engine plane in a field. The sole occupant and pilot appeared to be deceased. The Federal Aviation Administration (FAA), the National Transportation Safety Board (NTSB), and the Adams County Coroner's Office were notified, and the investigation was passed on to their respective agencies.

Witnesses reported seeing the plane take off and after a few minutes heard what they believed to be the engine stall. The wings of the plane dipped, and the plane began to spiral downward.

The Adams County Sheriff's Office is asking for anyone with further details to contact the FAA or NTSB.
